**Conference Name: YSAC Resiliency Theory**

**Conference Dates:**

**Conference Location: Cedar Lodge, Dundurn, Saskatchewan, Canada**

YSAC - Youth Solvent Addiction Committee will be offering a 3 day Resiliency Theory Training . The training will be held at Cedar Lodge, about 20 Minutes South of Saskatoon at Dundurn, SK.

Who Should Attend?

- Someone who has never taken the course;
- Person who help with centre curriculum;
- Counsellors;
- Person who have an interest in strength based perspective.

The course is based on the work of Sybil and John Wolin and the Resiliency Institute and covers all areas of understanding the seven resiliencies and working with them in a therapeutic environment.

**\* This course is certified for 16 hours through CCPC**

If you are interested in attending, please complete the following registration form.

Name:

My interest in this course is related to

I have taken previous courses or trainings related to Resiliency as

On thing I would really like to get out of this training is

- I am an employee of a full YSAC Centre and there for training costs are covered by the project.
- I am not a member or an associate member of a YSAC Centre but i am interested in purchasing a seat.

Meals and rooms and shuttle in necessary will be paid directly by YSAC.  
A pool and exercise room is available for guess use. No alarm clocks in the facility.

Cedar Lodge, Box 572, Dundurn, Saskatchewan S0K 1K0
